SPECIAL NOTE

End Matched Flooring means that every board is tongued and grooved on each end. There is no need to cut this Flooring to meet on joists or nail the ends of boards, thus waste is entirely eliminated. **WHEN MEASURING RANDOM LENGTHS WE CHARGE THE NEXT FOOT FOR ANY BOARD EXCEEDING 5 INCHES FROM THE PREVIOUS FOOT.** For example, a board measuring 11ft. 6in. would be charged 12ft. and a board measuring 11ft. 5in. would be charged as 11ft.
